What's New at the Zone This Summer

By Matt Ellis

Marketing Intern for Parks & Recreation

Hello everyone, well it's finally starting to feel like spring out there! I know here at the Nature Zone we were eager to see some warmer weather and leave winter behind.

We are excited about the upcoming events and would like to highlight some of them for you.

First, there are Canoe and Kayak Rentals on Saturdays and Sundays at Ivy Creek park from 10:00 am to 5:00 pm. Bring yourself or even group! The more the merrier. The costs for rentals are \$8.00/ hour for canoes and \$6.00/ hour for kayaks. You'll get to enjoy the serene surroundings while cruising on a beautiful lake, as well as hiking and picnicking with your family and friends!

If you haven't seen them yet, you'll see them very soon... we are talking about summer camps!

Look out for the summer activity guide which is available at Kroger's, Food Lion, Local Public Schools, and others. We hope to see you at one of our events!

More information can be found by calling 434-528-5828 or visiting our Facebook page! Did you know we also now on twitter and instagram! Make sure to follow us at NaturezoneVA to see all our pretty photos of nature as well as our animals!
